HMB

THE SENATE LIBRARY COMMITTEE of Simon Fraser University has passed a resolution granting faculty and graduate students in all higher educational institutions in B.C. borrowing privileges at the S.F.U. Library. Library cards may be obtained between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday, Room 5133, Library Building. "Proper identification required".

It is my understanding that the stacks are open at S.F.U., U.B.C. and U. of Vic. which means that our students may use the material in the library but may not check anything out. Our faculty has borrowing privileges at U.B.C. and U.Vic also.
